

Dear Sale College Community,

It is with great honour and excitement that I accept the position of Year Seven Team Leader at Sale College. The Year Seven Teaching Team has been meeting regularly during the holidays and working very hard to ensure the best possible opportunity for the successful transition of each student. Year Seven students joined Sale College officially on Wednesday 31<sup>st</sup> January. Students were exposed to the College Red Carpet experience whereby secondary school transition strategies and student welfare were at the forefront of teacher content. It was pleasing to observe students smiling and greeting peers from the beginning of the day to the very end, whilst simultaneously exercising their desire to learn.

A very special welcome to new members of the Year Seven Team including Mr Nicoll Sandison, Ms Jamieson Rendall, Ms Sarah Cook, Mr Prathu Khairnar, Ms Angelica Pahina, Ms Carissa Rankin-Pell, Mr James Taylor and Mr Jared Wytkamp. These members of staff bring with them a range of experience and are excited to begin the learning journey with your children.

Parents will receive a welcome call from the Pastoral Care Teacher of their child in the coming weeks. Please feel welcome to organise an appointment with the relevant teacher should you have any questions regarding your child's education.
