

Friday July 31st.

Dear Parents,

As you will have heard the Victorian Premier has now mandated that masks must be worn by all Victorians when they are outside their own home from mid-night on Sunday 2nd August.

This is being done to protect all of us and our community from further spread of the COVID-19 virus.

Students are required to wear a mask at school as well as travelling to and from school. This includes those students who are travelling on the school buses each day.

Parents will be required to wear a mask when visiting the school from Monday morning onwards. Please consider your purpose for visiting the school and whether a phone call would suffice.

All school-based staff must wear face coverings at school, and when travelling to and from school.

Teachers and education support staff will not be required to wear face coverings while teaching, but those who wish to do so, can.

Teachers must wear face coverings in other areas of the school when not teaching (for example, in the staffroom, on yard duty and when providing first aid), and when travelling to and from school.

Masks must be supplied from home. Where this is difficult to organise face coverings such as a scarf or bandana will be accepted.

If your child has a medical reason, or you are concerned that your child will be unable to comply with this directive from Monday 3rd August, please contact the school as soon as possible.

These are concerning times for all Victorians. The highest priority for our school has and always will be the safety of all students whilst in our care and the safety and wellbeing of our staff. As a school we look forward to your cooperation to ensure that we can continue to do this.

Kind Regards

Brendan Staple
Principal
