SALE
COLLEGE
MUSIC
PROGRAM

The Program

The Sale College Music Program offers all students the opportunity to learn an instrument and participate in bands and ensembles. These include Senior and Junior Concert bands, Big Band, Junior Stage Band, Rock Band, violin group, Pop band, Vocal group and other ensembles.

Bands and Ensembles play at College concerts and functions, Eisteddfods and venues including Primary Schools and aged care homes. The Big Band regularly plays at the Paynesville Music Festival, Merimbula Jazz Festival and other community events.

All students taking part in the music program play in at least one band or ensemble according to their ability.

While the program sets a high standard, the aim is participation: to allow all interested students to learn an instrument and play in a band regardless of their financial means and ability.
