

Assessment Schedule - Year 12, 2021

An important part of the learning process is assessment of student learning. This gives students the opportunity to demonstrate newly learnt knowledge and skills, and the chance to receive formal feedback from their teachers on a set piece of work. At Sale College, Students in Years 11 and 12 will sit a number of School Assessed Coursework (SAC) items and other assessment tasks to demonstrate outcomes and competencies for each of their subjects.

This calendar outlines the planned dates for assessment tasks that students undertaking a Unit 3/4 VCE subject will complete. Please be aware that the dates provided are a guide only and may change for individual classes. Individual class teachers will provide their classes with the exact timing of all assessment tasks in advance.

For further information about any particular assessment task please contact your teacher.
